

# Riga Technical University

RIGA TECHNICAL  
UNIVERSITY

Latvian Centre of Engineering Science | Anno 1862

Area – 64 589 km<sup>2</sup>

Capital – Riga

# Latvia in Facts

One of the oldest flags in the world – dates back to the 13<sup>th</sup> century

Time zone  
EET (UTC/ GME +2)

Winter 0... -7 C  
Summer +17 C... +30 C

Currency  
Euro

4 seasons  
Climate humid continental

Member of European Union and NATO since 2004  
Schengen Area - 2008

Lutheran (34%)  
Catholic (24%)  
Orthodox (18%)

One of TOP 10 countries worldwide with the fastest internet!

# Crossroads

The largest European cities are just few hours flight away and the return flight costs starting from € 30

# Established in 1862

## Oldest technical university in Baltic states

- 9 faculties
- 48 study programs in English
- 15 000 students
- More than 2 300 international students
- 767 academic staff
- 502 researchers
- 13 research centers

## Research platforms:

- Energy
- Information & Communication
- Material Science & Chemistry
- Safety & Security
- Smart Networks
- Transport

# Location

# Main Campus in Kipsala

Located in the green environment in the very heart of Riga

# On campus accommodation in a fully equipped modern dormitory building

The rooms are arranged into apartments. Each apartment has three double shared rooms, a kitchen, bathroom, toilet and corridor.

Right across from the campus, students have access to a large shopping mall, and the dormitory is within a walking distance from most RTU faculties.

€180  
per month

1862  
RIGA TECHNICAL  
UNIVERSITY

# RTU Design Factory

Design factory is made for  
finding, incubating and  
realizing

new  
ideas!

Independent platform  
with the aim of  
promoting  
interdisciplinary  
learning through  
passion based  
learning & problem  
based learning

# Services

## 3D printing

transforming of your 3D models on your computer to real 3D objects using additive manufacturing process

## Molding

space, where you can work with resins & realize diverse castings with silicone rubber or other type of resins

## Electroshop

model making & prototyping with electronic boards

## The Lab

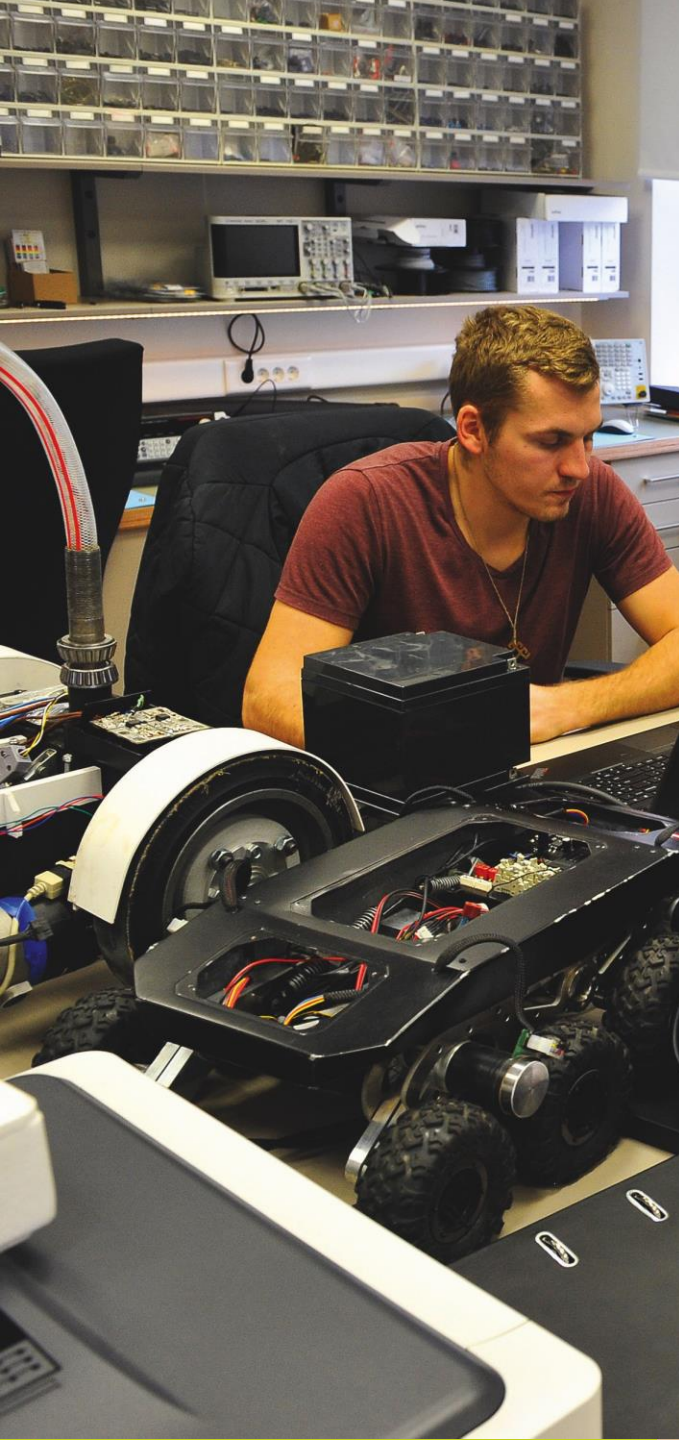

space for your inspiration and experiments

## Machineshop

model making & prototyping

# LABS

# RTU Scientific Library

Largest collection of traditional sources on engineering and architecture in Latvia ~1.5 million items

Databases with 47 000 e-journals and 148 000 e-books

Facilities: spacious reading hall with library stock in open access, overnight reading room, individual booths and team rooms, cozy kitchenette for visitors

# Career Centre

- Job and internship possibilities
- Improve competitiveness in the labour market
- Job search / placement fairs – Career Days
- Student business incubator
- Business Interest Club “Briefcase”
- Psychological assistance

# Sport Activities

- Athletics
- Badminton
- Basketball
- Boxing
- Freestyle wrestling
- Judo
- Body building
- Frisbee
- Floor ball
- Soccer
- Table tennis
- Swimming
- Tennis
- Volleyball

# Students Life

# Students Life

# International Cooperation and Foreign Students Department

ICFSD is an one stop agency and support:

- all applicants through the whole enrolment process
- current students through the studying process

Organizes meetings for international partners and represents RTU internationally

# Exchange and semester studies

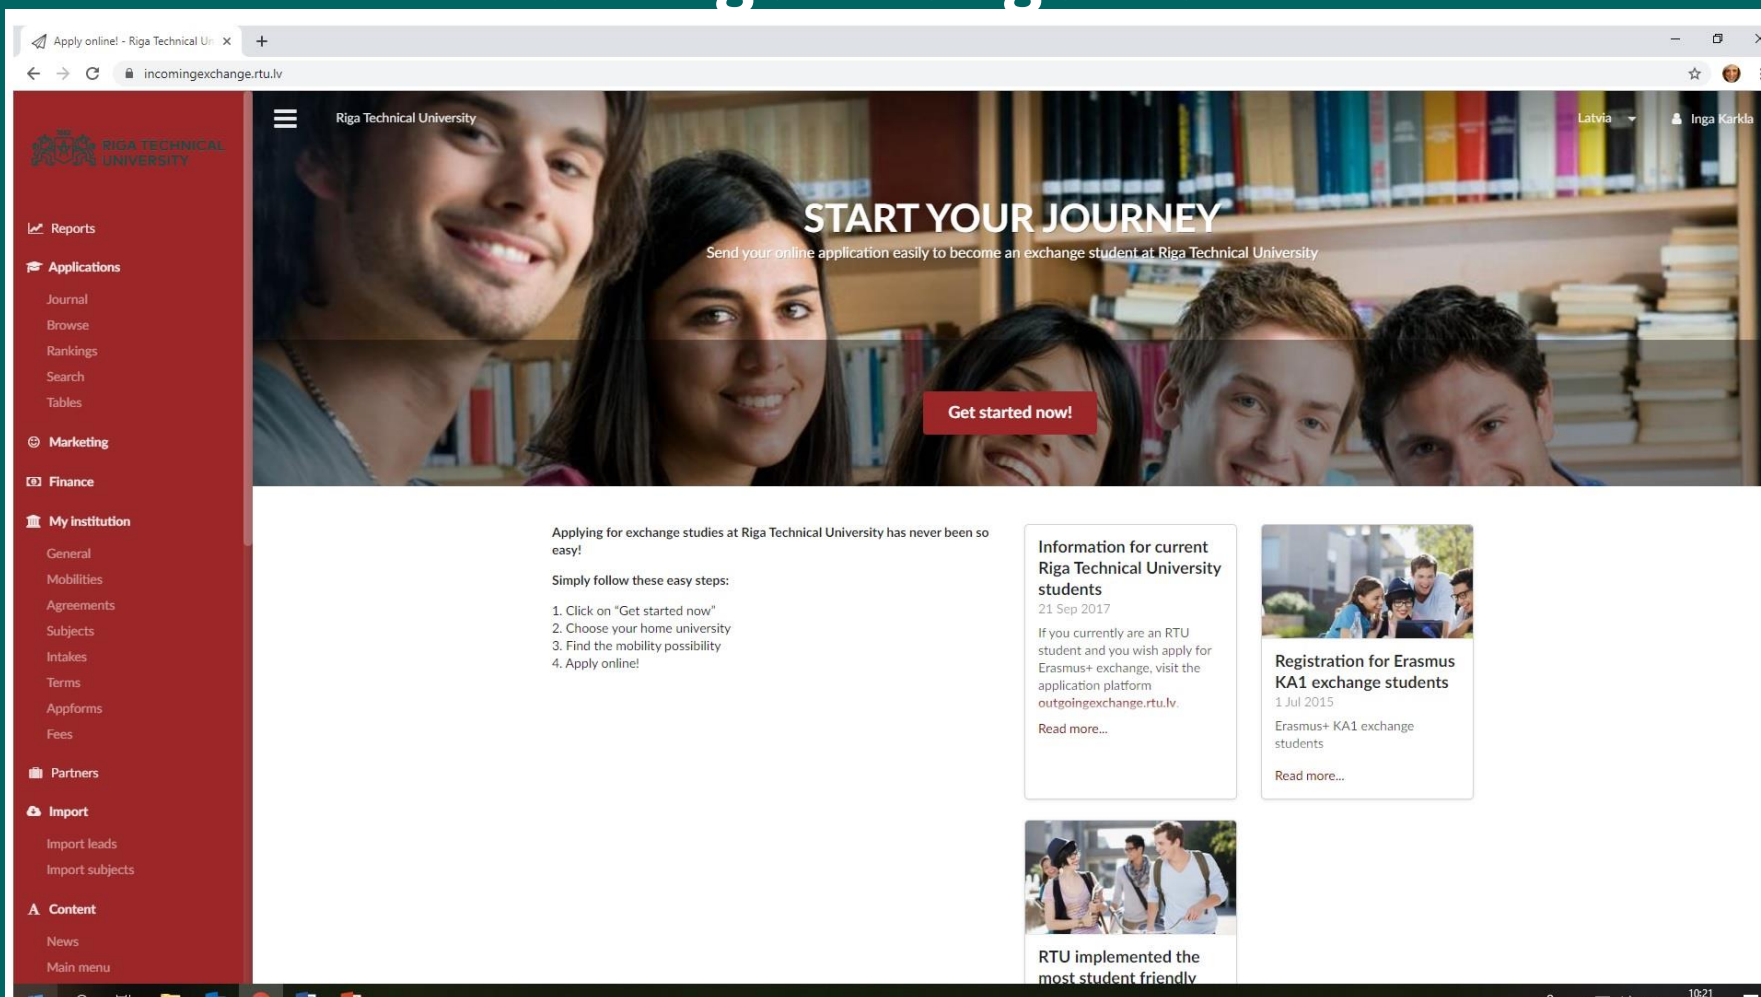

- Erasmus + studies for 5 months/1 year
- Study abroad semesters
- Free-moving
- Exchange studies within bilateral agreements

# Application process online

## incomingexchange.rtu.lv

The screenshot shows a web browser window displaying the website [incomingexchange.rtu.lv](http://incomingexchange.rtu.lv). The page features a navigation menu on the left with categories like Reports, Applications, Marketing, Finance, My institution, Partners, Import, and Content. The main content area has a header with the text "START YOUR JOURNEY" and a sub-header "Send your online application easily to become an exchange student at Riga Technical University". A prominent red button labeled "Get started now!" is visible. Below the header, there are three article snippets: "Applying for exchange studies at Riga Technical University has never been so easy!", "Information for current Riga Technical University students", and "Registration for Erasmus KA1 exchange students".

### START YOUR JOURNEY

Send your online application easily to become an exchange student at Riga Technical University

[Get started now!](#)

Applying for exchange studies at Riga Technical University has never been so easy!

Simply follow these easy steps:

1. Click on "Get started now"
2. Choose your home university
3. Find the mobility possibility
4. Apply online!

#### Information for current Riga Technical University students

21 Sep 2017

If you currently are an RTU student and you wish apply for Erasmus+ exchange, visit the application platform [outgoingexchange.rtu.lv](http://outgoingexchange.rtu.lv).

# Requirements

- Nomination by your home university
- Completed application at [incomingexchange.rtu.lv](https://incomingexchange.rtu.lv)
- Submitted ToR, passport/ID
- Selected/aligned study courses
- English language, minimum level B2

*Contacts:*

*RTU International Cooperation Unit*

*[Anna.Sedova@rtu.lv](mailto:Anna.Sedova@rtu.lv)*

*+371 67089313*

# Study courses for exchange students in English language

- Faculty of Architecture
- Faculty of Computer Science and Information Technology
- Faculty of Material Science and Applied Chemistry
- Faculty of Mechanical Engineering, Transport and Aeronautics
- Faculty of E-Learning Technologies and Humanities
- Faculty of Electronics and Telecommunication
- Faculty of Engineering and Economics Management
- Faculty of Electrical and Environmental Engineering
- General Courses – Latvian language and History of Latvian Culture

Course list available: <https://fsd.rtu.lv>

# Intakes for exchange studies

*Academic year 2020/2021*

Autumn semester  
(September 2 – January 31)

Nomination deadline  
May 15

Application deadline –  
June 01

Spring semester  
(February 01 – June 20)

Nomination deadline  
November 15

Application deadline  
December 01

# Rankings

- ★ Ranked **No 1** by Employers' Confederation of Latvia
- ★ QS Stars – **400 +**
- ★ The Times Higher Education World University Rankings – **300 +**
- ★ **No 35** Master in Civil Construction and Real Estate Management, **No 6** Master in Business Finance, Eduniversal

# Testimonials

## BRUNO ARAUJO TORRES

GEOMATICS

RTU HAS PROVED ITSELF TO BE A FANTASTIC STUDY DESTINATION — AN EXTREMELY MULTI-CULTURAL UNIVERSITY THAT IS OPEN TO THE WORLD. NO-ONE SHOULD SKIP THE OPPORTUNITY TO COME HERE.

## BRASIL

## SHAKHRYAR MOKHAMMAD DAUD

ENTREPRENEURSHIP AND MANAGEMENT

IT IS EASY TO KNOW THINGS, BUT IT IS HARD TO TEACH SOMEONE THE THINGS YOU KNOW. ONE OF THE BIGGEST TREASURES OF RTU ARE PROFESSORS WHO WANT AND KNOW HOW TO GIVE THEIR KNOWLEDGE TO STUDENTS.

## KAZAKHSTAN

## AZIZAKHON ALIMOVA

TECHNICAL TRANSLATION

RTU IS A UNIVERSITY THAT HAS TAUGHT ME TO BELIEVE IN MYSELF AND MY ABILITIES. RTU GAVE ME OPPORTUNITIES TO REACH MY GOALS IN EVERY SPHERE. THE MOST PRICELESS THINGS THAT RTU GAVE ME ARE MY EXPERIENCES.

## UZBEKISTAN

## MIJU KIM

ENGINEERING TECHNOLOGY, MECHANICS AND MECHANICAL ENGINEERING

RTU IS A MODERN UNIVERSITY THAT IS FLEXIBLE, DYNAMIC AND VERY DIVERSE. THE ATMOSPHERE CREATED BY STUDENTS AND STAFF MAKES IT A PLACE WORTH SPENDING YOUR TIME AT.

## SOUTH KOREA

## TURAN JABBARLI

MEDICAL ENGINEERING AND PHYSICS

RTU HAS GIVEN ME A CLEAR IDEA OF MY FUTURE CAREER. IT GIVES A GREAT SENSE OF SECURITY TO KNOW WHAT I AM GOING TO DO AFTER I GRADUATE.

## AZERBAIJAN

## SHIKHAR SRIVASTAVA

PRODUCTION ENGINEERING AND MANAGEMENT

RTU HAS TAUGHT ME TO BE OPEN TO A DIVERSITY OF CULTURES AND OPINIONS, TO ACCEPT MY MISTAKES AND LEARN FROM THEM. RTU HAS TAUGHT ME TO BE ME.

## INDIA
