Important Information

01

UFSC Application System

If your institution does not have access to the UFSC application system yet, we kindly ask you to inform us the e-mail address of the person responsible for nominating students, so that we can send them a password. If you already have a password, this is the [link](#) you should use to nominate the students:

<http://www.incoming.sinter.ufsc.br/publico/loginInstituicao.xhtml>

02

Moodle Learning Platform

The course activities will be carried out exclusively online through the Moodle learning platform. They may include synchronous and asynchronous activities, using information and communication technologies at the discretion of the course instructors and the teaching departments.

03

Amount of Courses to Apply

In the application system, students can apply for up to **two** courses. Changes in the selection of courses may be made after enrollment, but they should not exceed the course limit. In order to check all the undergraduate courses offered at the university, including their schedule and descriptions, access the following [link](#):

04

Mobility in the Medicine Program at UFSC

Mobility in the Medicine Program at UFSC runs independently from SINTER, so we kindly ask you to not consider this calendar for application to the Medicine Program. Students interested in taking courses or doing internship in Medicine should contact the Program Coordinator directly:
medicina.estagios@contato.ufsc.br.

For further information, visit [the program's website](#).

Coronavirus

To keep the academic community and our international partners updated on the Coronavirus (COVID-19) pandemic, we are also gathering information and updates on our website: <https://sinter.ufsc.br/coronavirus-covid-19/>.
