Opening Ceremony . Group Photo

From May 22 to June 2, 28 students and 4 TA from Kookmin University and the University of Ulsan in Korea participated in gPBL. At Kookmin University, we worked with 32 students for five days on the theme of "Circular Design," from group formation, field surveys, and idea meetings, to conceptualization, visualization, and presentation preparation. At the University of Ulsan, we were divided into 10 groups of 35 students and engaged in the same design process under the theme of "Emotional Sharing. It was a good stimulus for both sides.
