(8) Copy of Passport

(9) Copy of Residence Card

A copy of both sides of the front and back of the resident card must be submitted.

If you do not have a residence card, you do not have to submit.

3. Application Procedure

You will use the website twice in total, once for the pre-consultation and once for the application.

(1) Pre-consultation

The supervisor will confirm with you in advance whether or not you will be accepted into their laboratory.

The designated forms are available for download from the website, as well as this guideline.

* The documents for the pre-consultation and application are the same.

Please access to the “【Non-degree program】 2026 Spring Pre-consultation for Research Students (Master)” in TAO.

Pre-consultation period: from 12:00noon Tuesday, November 4th, 2025 to 12:00noon Friday, November 21st, 2025.

You may not proceed with the application without the informal acceptance of the supervisor.

(2) Application

Submit all the required documents via the website “The Admissions Office (TAO)”

The designated forms are available for download from the website, as well as this guideline.

*The documents for the pre-consultation and application are the same.

Please access to the “【Non-degree program】 2026 Spring Research Students(Master)” in TAO.

Application period: from 12:00noon Friday December 5th 2025 to 12:00noon Friday December 12th 2025.

After evaluating the submitted documents, SIT will notify the applicants of the results around the middle of February.

4. Expenses

(1) Examination Fee: **JPY35, 000** – paid at the same time as the application submission takes place.

(2) Academic Fee consisting of the following:

Registration Fee	JPY 59,000 *Graduates of SIT: JPY 29,500
Research Guidance Fee (half a year)	JPY 150,000
Experiment and Practice Fee	Actual expenses *Depends on the research field.

* The applicant will be notified of the acceptance or non-acceptance by late August to the e-mail address registered with TAO. SIT will announce the payment period for the Academic Fee at the time of result notification.

5. Enrollment period

The enrollment period for research students is half a year.

1. Half term: April 1, 2026 (Wed) to September 30, 2026 (Wed)
2. Yearly period: April 1, 2026 (Wed) to March 31, 2027 (Wed)

6. Security Trade Control (Export Control)

Shibaura Institute of Technology (SIT) checks them at any case of technology transfer or the entries of researcher or student based on rules of the Foreign Exchange and Foreign Trade Act and related laws and regulations.

Therefore, you will be required to change the education or research you (will) desire in case it is (will be) possibly regulated.

It does not affect the result of entrance examination.

Please refer to the website of the Ministry of Economy, Industry and Trade (METI) for detail;
