

Call for Papers

SEATUC Journal of Science and Engineering

The SEATUC Journal of Science and Engineering (SJSE), published by South East Asian Technological University Consortium (SEATUC), is a new initiative project which aim to promote the further development of SEATUC's member universities and to improve the SEATUC's presence to the world. It is refereed online international journal dedicated to the latest advancement in science and engineering, providing a forum for the publication of scientific or technical papers. The main fields of the journal are as follows.

- Mechanical, Mechatronic and Robotics Engineering
- Electrical and Electronic Engineering
- Computer Engineering, Computer Science and ICT
- Earth Science and Environment
- Civil Engineering, Architecture, Urban Planning and Design
- Chemical Engineering and Applied Chemistry
- Materials Science & Engineering
- Bioscience, Bioengineering and Life Science
- Basic & Applied Mathematics

Authors are cordially invited to submit the extended version of previously published papers in an online SEATUC Symposium. All manuscripts must be prepared in English and are subject to a rigorous and fair peer-review process.

Call for Papers

SEATUC Journal of Science and Engineering

FastTrack submission

Authors are cordially invited to submit extended versions of the papers presented at the previous SEATUC Symposium. All manuscripts must be prepared in English and are subject to a rigorous and fair peer-review process. Please note that FastTrack is available only for papers accepted for SEATUC20th TS-Fast Track.

Submissions should be in PDF format and within six (6) to eight (8) printed pages, including figures, following the manuscript template. Submitted papers will be peer-reviewed by same reviewers of SEATUC20th FastTrack. Only accepted papers can be published in the SEATUC Journal of Science and Engineering2026 (SJSE2026).

Authors of FastTrack should send a statement to SEATUC Secretariat explaining how you responded to the SEATUC20th reviewers' comments at the time of paper submission.

Regular submission

Authors are invited to submit complete unpublished papers in English.

Please note that submissions are limited to those affiliated with SEATUC partner universities.

Submissions should be in PDF format and within six (6) to eight (8) printed pages, including figures, following the manuscript template. Submitted papers will be peer-reviewed by at least two reviewers. Only accepted papers will be published in the SEATUC Journal of Science and Engineering2026 (SJSE2026).

Note

- Manuscript templates must be downloaded from [EasyChair](#).
- When preparing your manuscript, please follow the instructions provided in the template.
- Submit your article in PDF Format.
- Must mention the e-mail address of all the authors in the paper.
- Submitted papers will be peer-reviewed by at least two(2) reviewers.
- Once the manuscript is accepted for publication, authors are required to fill and send some additional documents, such as the SJSE Journals copyright transfer form.
- Additional documents will be provided after the notification of acceptance.
