

Pledge for the international program at Shibaura Institute of Technology

To: The President, Shibaura Institute of Technology

I, the undersigned, hereby agree to the following conditions of participation in this program:

1. I certify that I have read and understood the application materials for this program at Shibaura Institute of Technology and that all statements and information provided in my application are true and accurate.
2. I will comply with all rules, regulations, and instructions of Shibaura Institute of Technology and devote myself to my studies in order to achieve the objectives of this program.
3. I will comply with the laws and regulations of Japan.
4. I will accept responsibility for payment of any debts or financial obligations that I may incur during my stay in Japan.
5. I permit SIT to use photographs taken of me during this program on its websites, in its brochures, and in other promotional materials.
6. I acknowledge that any inventions made by me during the program, including related intellectual property rights and patent rights, shall belong to SIT, and I will promptly report any such inventions to SIT.
7. I will maintain the confidentiality of important information and use any outcomes and information obtained through the program solely for peaceful purposes.
8. I will comply with all applicable Japanese export control laws and regulations.
9. I understand that I may not be able to enroll in all of my preferred courses. Some courses are subject to enrollment limits, prerequisites, or other restrictions; therefore, enrollment in requested courses cannot be guaranteed.
10. I understand that it is my responsibility to confirm the graduation requirements of my home institution and that credits earned at SIT may not necessarily satisfy those requirements.

If the President of Shibaura Institute of Technology determines that I have violated any of the above provisions, I will accept such determination without objection and comply with the President's decision, even if it results in the cancellation of my status at Shibaura Institute of Technology and/or my return to my home country.
