

Pledge for the international program at Shibaura Institute of Technology

To: The President, Shibaura Institute of Technology

I, the undersigned, hereby pledge the following when I participate this program

1. I certify that I have read and understood the application materials for this program at Shibaura Institute of Technology, and that all statements and information provided in my application documents are true and accurate.
2. I will comply with all rules, regulations, and instructions of Shibaura Institute of Technology and devote myself to my studies in order to accomplish the objectives of this program.
3. I will comply with the laws and regulations of Japan.
4. I will accept responsibility for payment of any debts or financial obligations that I may incur during my stay in Japan.
5. I permit SIT to use photographs taken of me during this program on its websites, brochures, and other promotional materials.
6. I acknowledge and accept that any inventions made by me during the program, including related intellectual property rights and patent rights, shall belong to SIT, and I will promptly report any such inventions to SIT.
7. I will maintain the confidentiality of important information and will use any outcomes and information obtained through the program solely for peaceful purposes.
8. I will comply with all applicable Japanese export control laws and regulations.
9. I understand and acknowledge that participants in this program are, in principle, not permitted to enroll in or attend academic courses offered by SIT.
10. I understand that, if it is determined by the President of Shibaura Institute of Technology that I have violated any of the above provisions, I will not object to such determination and will comply with the President's decision, even if it results in the cancellation of my status at SIT or my return to my home country.

If it is determined by the President of Shibaura Institute of Technology that I have violated any of the above articles, I will not protest and I will obey the President's judgment, even though it may involve the cancellation of my status in Shibaura Institute of Technology and being sent home.
