

<Notice>2026 Annual Student Health Checkup

The health checkup will be conducted in accordance with the School Health and Safety Act.

All students* are required to undergo the health checkup.

*Except for special international students and non-degree students.

From the 2026 academic year, undergraduate students in their 2nd, 3rd, or 4th year and graduate students **will be required to make a reservation in advance**. Appointment times will be designated only for new undergraduate students. Please make sure to take the health checkup at your affiliated campus. For more information about the health checkup, please refer to ScombZ or the university website.
