SEATUC 2025 has the following four types of sessions. See the figure of session structure of SEATUC 2025.

TS

1. Technical Session (TS) - Full-paper peer-reviewed, Oral presentation

Authors are invited to submit complete unpublished papers in English. Submissions should be in PDF format and within four (4) to six (6) printed pages, including figures, following the SEATUC paper format. Submitted papers will be peer-reviewed by at least two reviewers. Only accepted papers can be presented in the technical session (TS) as oral presentations and published in the SEATUC 2025 proceedings. Authors of the selected papers will have a chance to submit extended versions of their papers to SEATUC Journal of Science and Engineering (SJSE)*. Some papers may be accepted in the poster session (PS) or work-in-progress session (WiPS) as poster presentations.

*If authors plan to submit an extended version of their SEATUC 2025 manuscript to SJSE, please consider using the FastTrack option as described below.

PS

2. Poster Session (PS) - Short-paper peer-reviewed, Poster presentation

Authors are invited to submit unpublished short papers in English. Submissions should be in PDF format and within two (2) printed pages, including figures, following the SEATUC paper format. Submitted short papers will be peer-reviewed by at least one reviewer. Only accepted papers can be presented in the poster session (PS) as poster presentations and published in the SEATUC 2025 proceedings. Some papers may be accepted in the work-in-progress session (WiPS).

WiPS

3. Work-in-Progress Session (WiPS) - Non-peer-reviewed, Poster presentation

Authors are welcome to submit their work-in-progress or ongoing work in English. Submissions are allowed within two (2) printed pages in one of the following formats: 1) the SEATUC paper format used for TS and PS, 2) the SEATUC abstract format, 3) 6-up printed PowerPoint slides, and 4) a 1-page poster presentation format. All submissions can be presented in the work-in-progress session (WiPS) as poster presentations and published in a restricted area accessible only to SEATUC 2025 participants.

WS

4. Workshop Session (WS) - Proposal-based session

Special workshop session proposals from SEATUC member universities are welcome. Workshop organizers must submit a workshop plan in the designated form. Once accepted, the organizers will coordinate the content, presenters, and schedule in cooperation with workshop co-chairs. All papers or presentation slides up to six (6) printed pages from accepted workshop sessions can be published in the SEATUC 2025 proceedings.
