

Pledge for the international program at Shibaura Institute of Technology

To: The President, Shibaura Institute of Technology

I, the undersigned, hereby pledge the following when I participate this program :

- 1) To certify that I have read and understood the application materials of this program at Shibaura Institute of Technology, and all the statements and information provided on the application documents are true.
- 2) To obey all the rules and regulations of Shibaura Institute of Technology and devote myself to my studies in order to accomplish the aims of this program.
- 3) To conduct myself without infringing the laws of Japan.
- 4) To accept responsibility for payment of any debt I might incur in Japan.
- 5) To permit SIT the use of my pictures taken during this program on the SIT websites and brochures for purposes of promotion.
- 6) To accept that any inventions (including patent rights) made by me during the program shall belong to SIT, as SIT sponsored the program and my participation in it, and to promptly report to SIT any such inventions.
- 7) To keep the confidentiality of the important information and I will use the program outcome and information only for the peaceful purpose.
- 8) To comply with the Japanese export control legal framework.

If it is determined by the President of Shibaura Institute of Technology that I have violated any of the above articles, I will not protest and I will obey the President's judgment, even though it may involve the cancellation of my status in Shibaura Institute of Technology and being sent home.
