< About the TOEIC score of Shibaura Institute of Technology's current students >

For Shibaura Institute of Technology's current students, the TOEIC score registered in S*gsot Portfolio is extracted and used, therefore there is no need to submit a score using TAO. Please make sure to confirm that your TOEIC score is registered in S*gsot Portfolio before the end of the online application system acceptance period. If there is no registration of the score in the S*gsot, the application cannot be accepted.

However, please take note that research students are not the regular (currently registered) students. Therefore, if you are the research student, it is required to submit the scan data of TOEIC and other English test score sheets accordingly.

The list of faculty and supervisors who are affiliated to the faculties are listed in the 「III. Education Research Field and Supervisor List」 which is uploaded on the website (URL: <https://www.shibaura-it.ac.jp/en/study/graduate/guideline.html>). Please determined which faculty/ department and supervisor you wish to belong to in the mentioned list.

■ Global Course of Engineering and Science

Oral Examination Implementation Format	The total time of oral examination is 20 minutes. It consists of two sessions, a 10-minutes presentation and a 10-minutes Question & Answer sessions.
Preparation Materials	In the presentation, please be sure to include the following points; (1) your motivation of joining the Global Course of Engineering and Science (2) objective and key results of your bachelor's degree research. If there is any, please explain the relation between your past research and the proposed master's degree research project. (3) objective, research plan and schedule of your master's degree research project. Please include your plan for study abroad (Japanese students) or internship (International students) in your schedule.
Contents of Questions	Questions will be related to basic science and engineering knowledge of your bachelor and proposed master's degree research project.

8. Examinee Number

After the online application system acceptance period is over, examinee number will be assigned, and the result will be uploaded to the message form in the online application system (TAO).

Please make sure to confirm your examinee number before the examination.

It may take 3 to 4 weeks to receive your examinee number due to the time required for document review.

III. Education Research Field and Supervisor List

· If you wish to be supervised by supervisor with a © in the remarks column, it is necessary to set up a second supervisor designated by that supervisor. On this matter, you have to consult the supervisor in advance.

· Lecturers who do not have "Supervisor" status listed next to their names will be "Co-supervisor". If you wish to receive guidance from the lecturer, please take note that you need to obtain approval from a lecturer which listed as "supervisor". Therefore, beside the co-supervisor, you need to have another lecturer to become your "supervisor". This means you will be guidance by two supervisors (Supervisor and Co-Supervisor).

IV. On the Acquisition of Status of Residence as “Studying Abroad”

Foreign students who are permitted to enter Shibaura Institute of Technology can apply for the status of residence as "Student". Please take note that you cannot be enrolled at a university for the purpose of staying of a "short stay".

Please read the following information carefully, and if you fall under any of these conditions, please go through the necessary procedures such as renewal period of stay, change of status of residence, application for certificate status of residence and etc.

Current Condition	Required Procedures
1) Having the status of residence as “ Student”	If necessary, please apply for permission to renew your period of stay. This procedure can be carried out 3 months before the expiration date of the status of residence period.
2) Having the status of residence as “ Short Term Stay”	As a general rule, you have to fly out from Japan once and apply for the status of residence of "Student" from other country or your country of residence. For more details, please refer to “4. I do not have status of residence”.
3) Have a status of residence other than "Student" or "Short-term stay" ※ "Settlement person" "family stay" “dependence” or etc.	There is no particular process is needed, means you can enter with the current status. But if you wish to change your status of residence to "Student", please apply for "Change of Status of Residence".
4) Not having status of residence (New acquisition of status of residence)	To apply for a status of residence, you must first apply for a Certificate of Eligibility (CoE) from the Immigration Bureau in Japan. Shibaura Institute of Technology applies for the COE on behalf of the student in Japan. Once the CoE is issued from the Immigration Bureau to Shibaura Institute of Technology, it will be mailed to the applicant. After you received the CoE, apply for a “Student” visa (status of residence) at a Japanese embassy or consulate in the country or country of residence within the valid period of the CoE.

For "Application for Renewal/ Extension Period of Residence", "Application for Change of Status of Residence" and "New Acquisition of Status of Residence", application documents with a seal from Shibaura Institute of Technology are required. These documents can be issued to those who passed the entrance examination and paid the admission fee.

It takes several days to issue the required documents. Therefore, please contact in advance according to the following guidance.

■ About necessary documents for the application of status of residence’s issuance procedure

- ① After passing the entrance exam, please follow the instructions to pay the admission fee.
- ② Please send an email to the Graduate School Section <daigakuin@ow.shibaura-it.ac.jp> with the following contents.
 - Examinee number, name
 - Necessary procedure name (Period of extension of period of residence, application for change of status of residence or new acquisition of status of residence)

-Attachment of scanned data of residence card (only in case of application for permission to renew period of residence / application for change of status of residence)

- ③ After confirming the status of payment transfer of the applicant's admission fee, Shibaura Institute of Technology Graduate School Section will issue the required documents. We will inform by email on the issuance date of the documents, therefore please come to Graduate School Section to collect the document for your next procedure of application (for the issuance of CoE by the Immigration Bureau, we will deliver the CoE by EMS airmail to your home address).

The issuance of status of residence procedure takes weeks to complete. Make sure each student is responsible for managing his / her period of stay and taking necessary procedures accordingly.
