Image1 A class in session

We had a global PBL in Germany during 25th of August to 2nd of September in 2019. Number of SIT are 15 peoples include one TA and one professor. And Berlin University of Applied Sciences are 7 peoples include one TA and one professor. We participated in two courses in Berlin and Dessau in collaboration with Berlin University of Applied Sciences. In Berlin we participated in “Activating your inborn sense of wonder”, and we participated in “Sensory Experience Design 2019” for five days in Dessau, where they toured and observed architecture and urban planning, and conducted workshops based on them. We also independently toured the city of Berlin by visiting the Reichstag and cruising the River Spree.
