

SHIBAURA INSTITUTE OF TECHNOLOGY

2020 SUMMER INTERNSHIP

FOR STUDENTS OF INTERNATIONAL HIGH SCHOOLS

SIT offers research internship opportunities to all high school seniors and juniors who are interested in pursuing STEM (science, technology, engineering and mathematics) fields in higher education to spend their summer as Research Interns on campus.

Maximum Slots:

40 students

Tuition Fee & Safety Insurance:

¥60,000 (\$ 600) *Local accommodation and airfare paid by students.

Eligibility:

The student must be 16 years or older and have completed all coursework required for Grade 10. The minimum non-cumulative Grade Point Average (on a 4.0 scale) requirement is 3.2 or equivalent.

Application documents:

- A signed Cover Letter that states your interest in the Internship Program
- A Letter of Reference from your teacher (STEM subject teachers are ideal but we accept letters from those teaching non-science subjects as well)
- All Official High School Transcripts (9th, 10th and 11th grades)
- A Personal Statement with a brief self-introduction, your interest and experience (if any) in science or engineering research as well as your future career aspirations. Be creative!
