Indonesian Western Time

application deadline

2021.01.14

One-day program to fully learn with
a university teacher and students online

Make hot ice and liquid dry ice!
How do you make an artificial diamond?

I am Ayako Yamamoto
(Professor in faculty of engineering,
Shibaura Institute of Technology, Japan).
I am in charge of the lecture.
I wait for application from the whole country.

- target : high-school students
- number of persons : 20
- Zoom online lecture
- Registration: Please contact Dita Puspita Sari
LINE/ Whatsapp: puspitasaridita +819044342616
email: dita@shibaura-it.ac.jp

Points of the lecture:

1. Free and in ENGLISH!!
2. You can talk to a professor
and university student directly
3. Learning of progressive contents
4. Improving team work and
presentation skill
5. Exchanging bento during lunch break
